

Dear Dallas Township Residents,

As you are aware, the **2020 US Census** is underway and invitations were mailed to all households earlier this year.

The 2020 Census will help to determine congressional representation, affect hundreds of billions in federal funding every year, and provide data that will impact communities for the next decade. Census results also affect school lunch programs, plans for highways, and support for firefighters and families in need.

Census results affect our community every day!

If you have not done so already, please consider responding in one of three ways:

- 1) Fill out the questionnaire and **mail** back
- 2) Respond on-line, at **my2020census.org**
- 3) Respond by phone by calling **844-330-2020**

Thank you, in advance,
