

HAPPY *Thanksgiving*

Dallas Township Old-Fashioned Virtual Christmas Tree Lighting

As the year winds down and we near 2021, we are reminded of the many hardships that 2020 has brought the majority of us. If we choose to reflect on the hard times throughout this year we'll remember being stuck at home, gyms closing, children virtual learning, etc. However, if we reflect on the positive, we'll remember more time spent with family, getting outside for fresh air, and learning with children and seeing all that our amazing teachers do while our children are in school! Although we want so badly to be with our loved ones and our community during this hard year, we aren't there just yet. Sometimes the best things happen unexpectedly!

Dallas Township has announced that they will host the 4th Annual Old-Fashioned Christmas Tree Lighting event. Things will look a bit different as the lighting will be a virtual lighting event. The event will take place on Saturday, December 5th via the Dallas Township Facebook page. The live event will start at 6:00PM and the lighting will take place soon after that. The beautiful tree has been donated by Darling Farms and will be erected and set up by Modern Nursery. We hope you will tune in as we wanted to continue our hometown tradition for all to see! Stay safe, stay healthy, and we will see you soon!

DALLAS TOWNSHIP ROAD NEWS

Dallas Township will be doing the bag leaf pick up from November 16 - 20. Leaves will only be picked up in the paper composting bags. Residents are asked not to rake leaves into the roadway and to please avoid raking near the storm drains.

Upcoming Events:

- December 1, 2020: Supervisors Meeting at 6:30PM
- December 8, 2020: Planning Commission Meeting at 7:00PM
- December 15, 2020: Special Supervisors Meeting at 3:30PM
- December 21, 2020: Zoning Hearing Board Meeting at 3:30PM

Please check the Dallas Township website to be added to the meetings virtually! dallastwp.org

Message from our Dallas Township Police Chief, Doug Higgins

Over the past several months, I've noticed drivers not obeying the law yielding the right of way to emergency vehicles. Below is the listed law regarding your duty when emergency vehicles approach. Please do your best to follow these rules as our emergency responders are doing their best to get to calls for service as quickly and safely as possible.

A couple of recommendations:

1. Turn down your radio volume when driving
2. Do not use ear buds while driving
3. Put your cell phone down
4. Routinely do a quick check of your rearview and side mirrors (This is especially important for big trucks such as tractor trailers).

§ 33ty of Duty of driver on approach of emergency vehicle:

(a) General rule.--Upon the immediate approach of an emergency vehicle making use of an audible signal and visual signals meeting the requirements and standards set forth in regulations adopted by the department, the driver of every other vehicle shall yield the right-of-way and shall immediately drive to a position parallel to, and as close as possible to, the right-hand edge or curb of the roadway clear of any intersection and shall stop and remain in that position until the emergency vehicle has passed, except when otherwise directed by a police officer or an appropriately attired person authorized to direct, control or regulate traffic. On one-way roadways a driver may comply by driving to the edge or curb which is nearest to the lane in which he is traveling.
